

RESC 098 TECHNOLOGY EQUALS PROGRESS Symposium Presentation Project

While your Residential Colleges Symposium presentation is the principal component of the Symposium project, you will also be asked to submit the following components as part of this project:

1. Your abstract (in electronic form);
2. Your presentation slides (in electronic form);
3. An annotated bibliography of your resources; and
4. A reflection about your presentation, to be done after the Symposium.

Please submit these materials as attachments to a single email with the subject line:
