

# RESC 098 TECHNOLOGY EQUALS PROGRESS?

## Week 3 assignment

### Writing Assignment 3A:

This paper concerns the essay, “Technological Progress and Human Happiness,” by Nicholas Rescher and the Bucknell Forum talk by Neil Gaiman. In paragraph 1, state Rescher’s position on the relationship between technological advancement and happiness. Include one, and only one, quotation to support your statement. In paragraph 2, identify one aspect of Gaiman’s talk that supports Rescher’s claim. Use or paraphrase one quotation in your argument.

Use the template provided and adhere to the 500-word upper limit.

### Writing Assignment 3B:

Revise your paper from Week 2 (Postman or Marx reading) with a special focus on:

- (a) making a clear claim, and
- (b) identifying strong supporting evidence, including the choice of quote and external example.
